

Cash Manager Web Browser Compatibility

Overview

On **October 21st, 2018**, in order to ensure the highest level of security and the best user experience for our customers, support for older web browsers will be discontinued. In preparation for this change, users should update their web browser to one of the current versions noted below.

Compatible Web Browsers

- **Apple Safari 11**
- **Windows Internet Explorer 11**
- **Microsoft Edge 41 (or latest)**
- **Mozilla Firefox 56 (or latest)**
- **Google Chrome 61 (or latest)**

Helpful Tips & Reminders

- Check to ensure you have sufficient update privileges from your IT department prior to updating your web browser.
- Contact your IT department for help or questions about updating your web browser.
